Dear Suzette:

Thank you for your letter dated 1 March and congratulations on your marriage.

Enclosed is a draft of your family entry as it now stands for Vol. III. Please fill in Robert's date of birth, his mother's full name including her maiden name, and the number of years you served in the Army. If you wish to make any corrections or additions, be my guest.

You had me puzzled for a time mentioning Katherine Merwin Rhodes. Finally located the entry for Katherine Merwin Gordon. A copy is enclosed.

I do not understand what you mean that Mary Ann Rhodes is now a part of your family.

Can you give me information about what must be a second marriage for your Aunt Katherine? I wrote her asking her to update her family entry, as I did all persons in the twelfth generation. She did not answer. I am enclosing a Merwin Family Record sheet. Perhaps you can obtain the required information from her or one of her children. I shall not write her again. Also enclosed is are forms for Lisa and Mary Ann. In order to have their family entries in the book, Lisa and Mary Ann must become members of our Association since they were not born with the name Merwin. So, I enclose dues forms for their convenience.

If the girls are interested in joining, I must receive their dues and information before 31 March since I must close the manuscript at that time.

However I write their family entries, they will be subject to your review and correction. I do not know the family situation. I will write it as it is given to me and you may review it for acceptability.

As to the inclusion of a statement about Robert's adoption of Desiree, I can only include in Vol. III statements about things that have happened - not what is planned. Let me know when it has happened and I shall be pleased to include it.

Dear Merwyn,

I'm so glad I just recieved my
copy of milestones. It had gone to
Germany and back.

There is alot of new information
I wanted to fill you in on for Vol III.

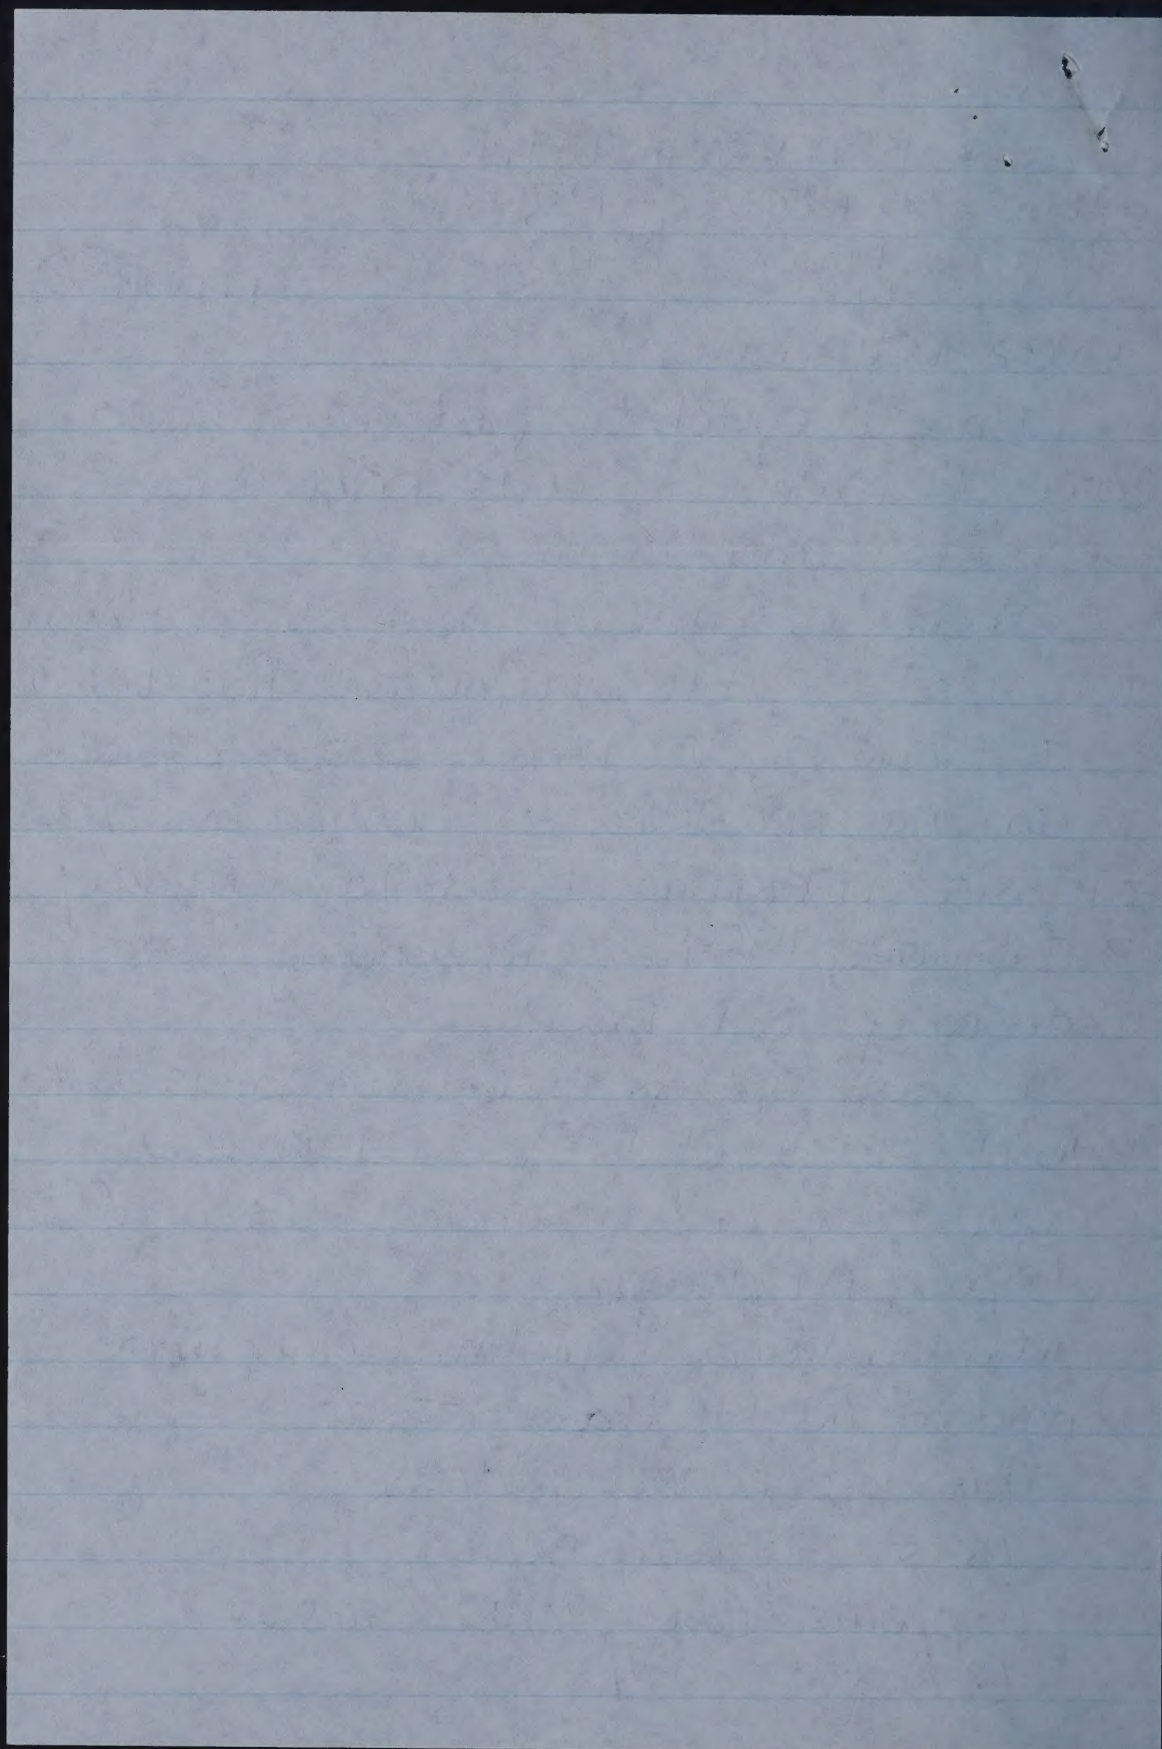

I have a daughter, whose father
I am not married to, Desiree Kianna
Elyssia Merwin b. 0349am Friday
3 February 1989 in Nuerenberg, West
Germany. C6b 1303.

I just got married in January to
Robert Floyd White Jr of Lakeview
Oregon. we were married 13 Jan 1990
in Lapeer, Michigan.

my husband is in the Army and
stationed in Ft. Hood Texas.

This is our new address:

1515 Highway Drive
Copperas Cove Texas 76522
(817) 547-0974

I did retain my maiden Merwin
name as a second middle name
^{ease in} for business purposes and because
I have written for 10 years under
that name. ~~OOO~~

I also have a matter which I
would like to clear up. It is a very
touchy subject but I feel it should
be cleared. My Aunt, Katheline
Louise Merwin, had 4 children,
one which she gave up for adoption.
MaryAnn Rhoades. She is my age
and lives in Davison, Mich. ~~OOO~~ She
is now a part of our family but the
matter is touchy. If you need further
information I think you should contact
her personally.

Also, Lisa Margaret (Merwin)
Thammavongsa, Kathy's daughter,
has two children, I'm not sure if
their births have been recorded.

I can't believe my mother married
me as a second wife. I was
in business and I was
in the house for 10 years under
my name.

I also have a mother who I
could like to sleep up. It is a very
sensitive subject but I feel it should
be shared. The Great Depression
was a hard time for children
in which she grew up for children.
I am a mother. She is my mother.
I live in Kansas, near the
border of our family but she
is working. If you need further
information I think you should contact
me personally.

Also, I am interested in
knowing more about my mother's
life. I am not sure if
my mother has been recorded.

PREPARATION OF THE FAMILY GENEALOGY

As indicated above, the core activity of the Association has been and still is work on the genealogy of the Merwin family in North America (many of the descendants of Miles [1] emigrated to Canada). This got underway shortly after the founding of the Association when Miles W. [9] Merwin, Margaret [9] Merwin Patch and her sister, Rachel [9] Merwin, pooled their genealogical resources which they had been accumulating over the years. Material had also been assembled by various other genealogists, including Donald Lines Jacobus, the eminent Connecticut genealogist who was himself a Merwin descendant. This latter, incidentally, is credited with having straightened out certain confusions which had arisen regarding the record for the first five generations of the Merwin family.

In 1964, the Association decided to work toward the issuance of a comprehensive genealogy of the descendants of Miles [1] in the male lines. As a first step the cooperation of the Connecticut Historical Society was sought because of its interest in early Connecticut history. They welcomed the project and gave their whole-hearted support to it, including assistance in raising the necessary financing. They required, however, that the work be managed by a professional genealogist, so the Association retained the services of J. Crawford Hartman, retiring Editor of the Record of the New York Genealogical and Biographical Society. He standardized the format of the genealogy along the lines followed by the Society and arranged the information assembled by the various contributors in an acceptable style. In 1967 the late Merle C. [9] Merwin (MFNA 3656) and his wife, Margaret, took over responsibility for

DEAR MR. Buchanan,
Recently I went home on leave and
found a letter concerning Vol III of the
Merwin Family in North America. It
was addressed to my mother, however
as she has not responded to this,
I am.

I have misplaced the sheet with
the information on it. As I remember
it was CORRECT. However, there is a
new member to the ~~merwin~~ Merwin family.
I have a 6 month old daughter.

I'm not sure what information you want so I'll just give you the following:

Desiree Kianna Elyssia Merwin
Friday 3 Feb 1989 0349 am
Colb 13025 in ~~0800000000~~
98th General Hospital
Nürnberg, Bavaria Germany (West)

Being an active duty USA soldier stationed overseas, she was born here but is an American citizen.

I am unmarried so I don't feel her father's information is important.

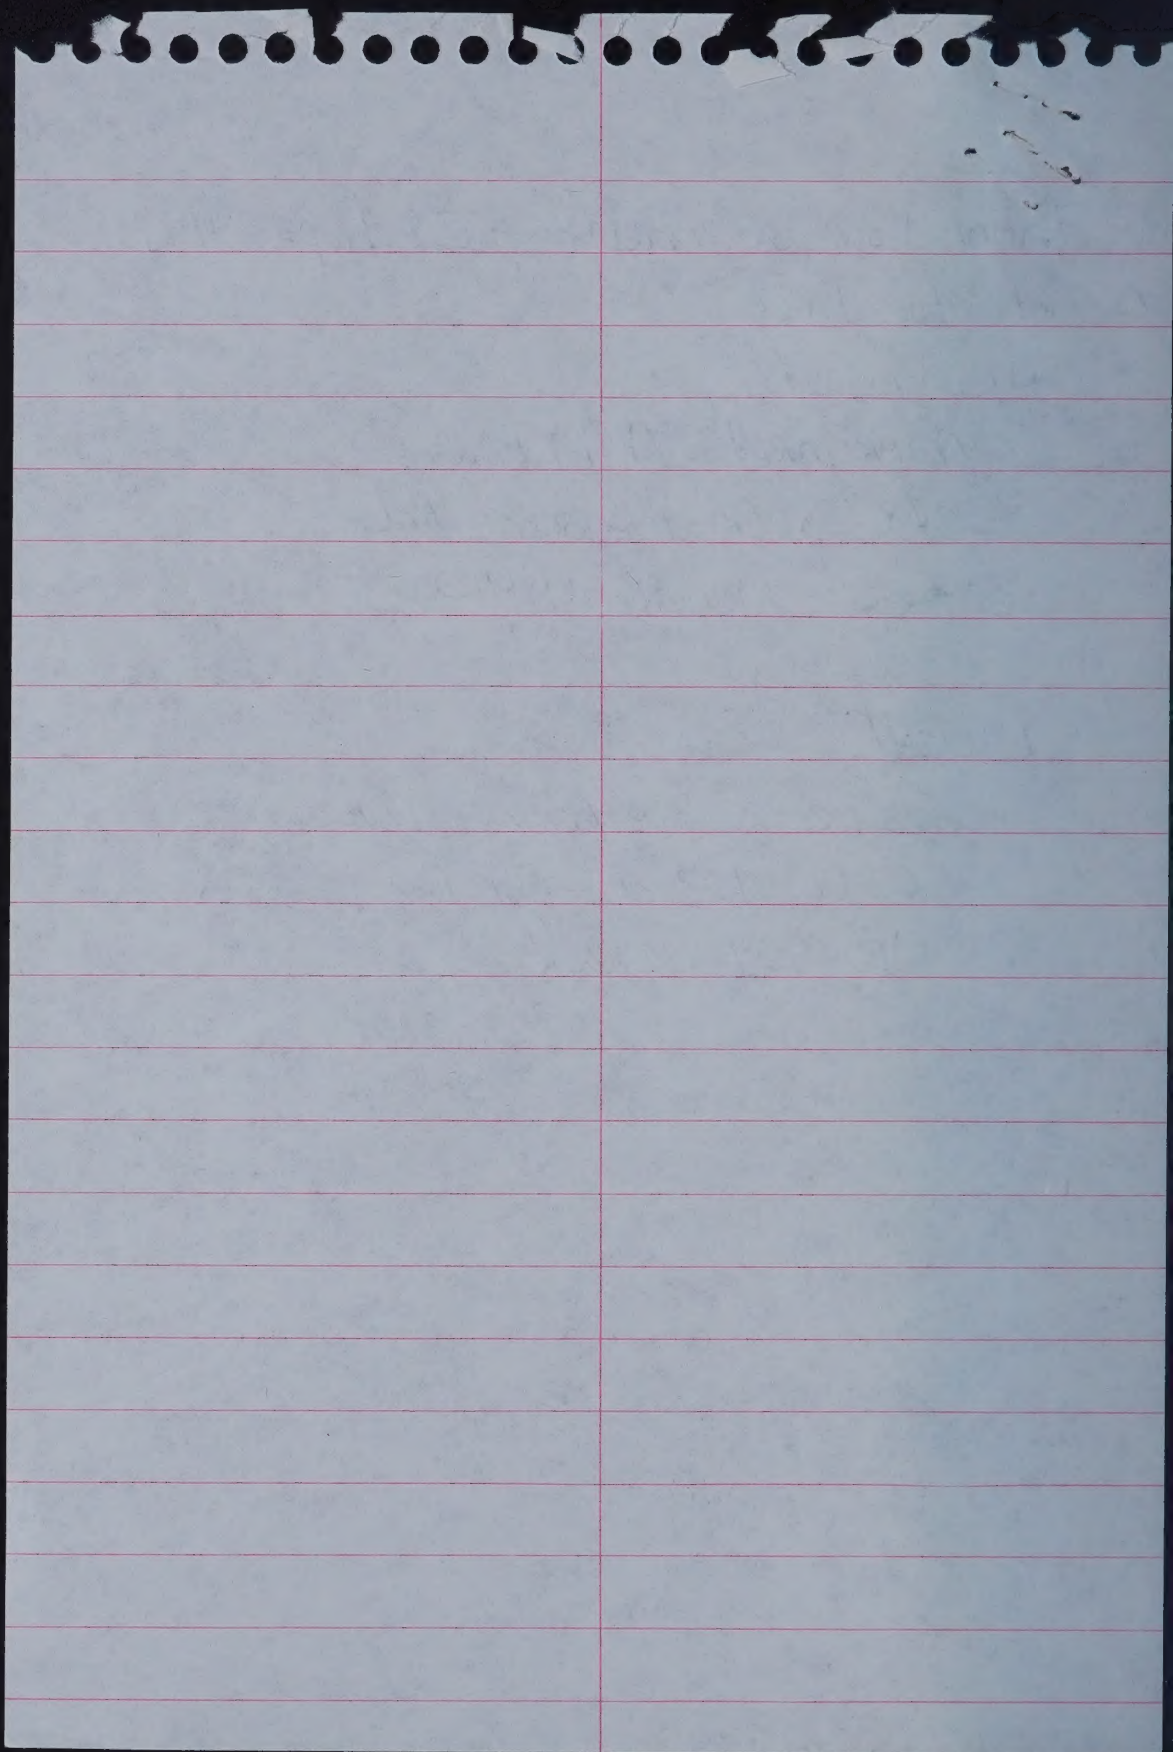

In the future, could you please include me in your correspondence? I am interested in ~~joining~~ joining the Assoc. and obtaining copies of our family's publications.

Thank you so much. I hope this
is not too late.

my mother is
MARGARET A. Merwin

Dear Debra:

Thank you for the updating of your family record. A revised draft is enclosed.

One question. You give the year of your divorce as 1988, but the date of your second marriage is 1985?

You did not receive Milestones because you failed to give us your new address and newsletters mailed to your old address were not forwarded. Enclosed is the latest one. If you missed others, let me know and I shall send them to you.

By copy of this letter, I am asking our Treasurer, Gaius Merwin, to let you know how much you owe for dues so that you may get your account current.

Best regards,

Merwyn R. Buchanan

Dear Merwyn,

my grandma Mary Weiss told me you were going to contact me.

As you can see I have made some changes since I last wrote, I have another addition to our family.

I wish to delete the details that I have crossed through, on the attached page, concerning my ex-husband Charles Serene.

Please note that all my daughters have been given my maiden name of Merwin, including Victoria Robyn Merwin-Serene.

I haven't received my mil stones in some

time & was wondering why, now that
my address has been updated could you
send it to me? also I need to pay my dues,
it was good to hear from you again

Debra

FIRST GENERATION

two eldest children; and sons William James and John B. Witter removed to Salem, Washington County, IN, in Feb 1865. We do not know why they chose to migrate to that particular place except that area of Salem, IN, was the center of a significant Quaker settlement and the Witters were Quakers. By deed dated 11 February 1865, J D purchased the Southwest quarter of the Northeast quarter of Section thirty-four in Township Three North of Range Three East. This was located in Jefferson Township, Washington County, IN. J D purchased the property from one John Attmore "late of the county of Washington in the State of Indiana now of the county of Delaware in the State of Pennsylvania". Accordingly, John Attmore apparently removed from Indiana to Delaware County, Pennsylvania, and then sold his property in Indiana to J D. The entire transaction took place in Philadelphia, and the deed was subsequently recorded (20 May 1865) in Washington County, IN. J D paid six hundred dollars for the property which consisted of forty acres of land together with buildings [7].

His daughter, Margaret Witter Rively, and son, William James Witter, settled there and remained. The U.S. Census of 1870 for Salem, Washington County, IN, shows William James residing with the Thomas & Juliema Morris family. Their dau., Margaret, was William James Witter's wife. The record shows that their son, Charles Thomas Witter, was eight months old at that time. The same census shows Maggie and Wash Rively and their four children living in the same area.

Catherine and Susan Witter, the other two living children of J D and Margaret, did not migrate to Salem with their parents and others in the family. Catherine had married and Susan lived with her sister Catherine Witter Buchanan and family until Susan was married in 1867. We know that J D and his wife lived on the farm in Jefferson Township, until, by deed dated 10 March 1891, they sold their land in Indiana for the sum of \$450. The deed was executed in Delaware County, PA, and subsequently recorded in Salem, Washington County, IN. Four years later J D and his wife died in Darby, Delaware County, PA.

1959 in a similar position at K. Hettleman & Sons, Baltimore, MD; 1959 to 1962, he was a sales engineer for Moffatt Bearing Co., Baltimore, MD. From 1963 until his death in 1968, he was employed as a salesman by Precision Parts and owned, for a time, a coin operated laundromat in Manayunk, Philadelphia. Al was 5'8" tall, weighed 200 lbs, had dark brown hair and blue eyes. He was quite an athlete and played football during his high school days. His main interest was in boating. He was a lieutenant in the Delaware River Power Squadron at the time of his death. Owned a thirty-six foot, twin-screw, Cris Craft cabin cruiser for several years which he used to cruise the Delaware River, Toms River, and the Chesapeake Bay. He was an outgoing, friendly personality who enjoyed people.

+81. Merwyn Russell (5) Buchanan b. 8 May 1919

Albert Earle Buchanan, Sr., was a small, slender, athletic man. He worked for the Pennsylvania Railroad from 7 May 1912 to 24 Mar 1920; was Assistant Traffic Manager for John Lucas & Co. (paints) from 25 Mar 1920 until 10 Apr 1920; employed by Eastern Freight Inspection Bureau 12 Apr 1920 to 16 Sep 1920 when he was employed by the Philadelphia & Reading Railroad Company (later known as Reading Company). He worked there as a Freight Claim Agent until his retirement because of disability in 1944.

He wrote in his diary, "2 Aug 1914 Minnie, Earle and friends took a trip on Stelroy Motor Boat. I took cramps in water and was rescued by Minnie. (Narrow escape)". What happened is that he had sold a canoe and, just after eating a picnic lunch with friends on the beach along the Delaware River, spotted the purchaser paddling the canoe up river. Impulsively, Earle dove into the water and swam to the canoe to chat with the person in it and ask him how he liked the canoe. He allowed himself to be pulled upstream for some distance with the idea that he would have an easy swim back with the current downstream to the beach. In the meantime, several girls, including Minnie, entered the boat and motored upstream toward Earle. He was siezed with stomach cramps and began to struggle to stay afloat. He was a "kidder" and known to be a powerful swimmer; so, when he began to struggle and submerge, the girls in the boat thought he was just pretending to be in trouble. However, Minnie thought otherwise and, at her urging, had them steer the boat over to him whereupon she grasped his arm and held on while they dragged him ashore with the boat since none of them had the strength to pull him aboard. Earle, in later years, joked that he married Minnie because she saved his life.

After their marriage, they lived in various rented houses in the Frankford section of Philadelphia until they purchased a house on 12 Aug 1924 at 218 E. Pine Street, Audubon, NJ. This was an easy commute for Earle by train and ferry to the Reading Terminal at 12th and Market Streets, Philadelphia. In 1929, they returned to Frankford purchasing a house at 1114 Anchor Street near the Oxford Circle. During the Depression, the mortgage was called; and they lost that house and rented a house belonging to Earle's father (1626 Fillmore Street) until Earle's mother could no

Dear Folks:

We were pleased to receive notice of the birth of Torry and a notice will be inserted in the next issue of *Milestones*.

You told me that the name of the child's mother was Ronda Collett. William must have re-married if I have my facts right. Would you please have him or will you complete the enclosed Merwin Family Record sheet to update his family?

I will appreciate it very much.

Dear Cousin:

Many thanks for your family record. Unfortunately, I can not use the information you supplied in The Merwin Family in North America because you have not joined the Association. Since you were not born a Merwin, you must show enough interest in the Association in order to be in the book.

I am looking forward to receiving your dues so your family may be included.

Sorry to hear of your grandmother's passing. We will record that event in Volume III.

The background of the stamp is light-colored with a subtle pattern. The portrait of Hubert H. Humphrey is in black and white, showing him from the chest up, wearing a suit and tie. The text "Hubert H. Humphrey" is printed in a serif font above the portrait. Below the portrait, the words "VICE PRESIDENT" are visible. The stamp has a perforated edge on the left side.
